Editor's Letter

We're firmly settled into our new offices now, but whose bright idea was it to have a photographic studio on site? With models in and out all day stripping for Men Only and our other titles (Roxy was shot just next door to us), we're distracted all day long! All the girls wish you a great day, as they swing their hips past the opening door to our office. On the even brighter side, we can have more in-depth chinwags and really find out what makes these girls tick, though Linzi Dawn McKenzie was more than forthcoming when I mentioned the possibilities of our tête-à-tête, "Oh come on, you know it's about cock, that's what makes these girls tick!" she offered gleefully.

In that case, mystery solved.

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to:

Dear Michelle,

Not long ago my wife Ellen and I discovered dogging. We sometimes swing with a couple we have known for a couple of years, but we always either use our place or theirs for fucking. It's a good arrangement, but Ellen and I had got to feeling that we'd like to go for something more adventurous. So, when we learned about dogging we decided we both wanted to try it out.

Trawling through the internet, I found a dogging site with a long list of places and times. Ellen was thrilled when I told her, and we decided to try it out the following Friday night.

Having read all the dos and don'ts, we folded down the back seats of Ellen's car and set out for our nearest hotspot, which I won't name here.

Anyway, the dogging spot we chose is a picnic area, with gravel-covered parking and grass around the outside. We arrived fairly early, and there was only one car there. It was parked with the headlights off, but its interior light on. I had read on the Net that the interior light being on was the signal that the couple inside welcomed voyeurs. I parked the car alongside theirs and we looked in. The woman was pretty, and in her mid-thirties. We couldn't make out what the bloke looked like, because by the time I parked up, his head had disappeared from sight. Ellen was very excited and asked me if we could get out for a better view. We got out and walked round to the car, bending down to look inside. The woman was leaning back in her seat with her skirt rolled up, her tits out and her man busily slavering away at her cunt. She looked straight at us, smirking in her excitement as she jerked up and down on his mouth. I made a 'roll down your window' motion to her and she reached over and thumbed the button. I was mad keen to touch her, but I remembered the dogging rules that said we had to be invited to touch her before we could. It was pretty frustrating, because the woman gasped and moaned as the man lapped at her pussy, all the time looking directly at us watching her having her pussy licked.

As we looked on, my hand went up Ellen's skirt, slowly rubbing her cunt through her panties, while she started massaging the bulge in the front of my trousers. In the car, the woman was starting to breath heavily, and she suddenly asked me if I'd like to feel her tits. Fuck yeah!

I leant in and started to squeeze her tits while Ellen unzipped my trousers and pulled out my hard cock. She began stroking it fast, muttering in a sexy voice about what a horny bastard I was. Then, to my utter shock, she asked the woman in the car if she wanted to see my hard dick. The woman nodded quickly and I kind of got the feeling she was close to coming, and that us watching her was the trigger she needed to get there.

For a moment I froze and was undecided. Ellen, however, had no qualms. Still wanking my shaft, she pulled my prick round so the woman

“..., and I drained my balls all over her face.”

“...slowly rubbing her cunt through her panties.”

ELLA HUGHES!

Dear Michelle,

Is there anything sweeter than a redhead, only a redhead with tits like Ella Hughes, with their rose petal coloured ends, and those slightly long nipples. Sucking on those has entered my dreams frequently since I saw her in Men Only No.7. You guys really do put some of the best birds in the business in your mags. A* for effort, and please keep up the excellent work.

Richard, Stockport.

Michelle says: Thank you, Richard, for your kind words of support, and we're happy that you're happy with the spread of ladies on offer!

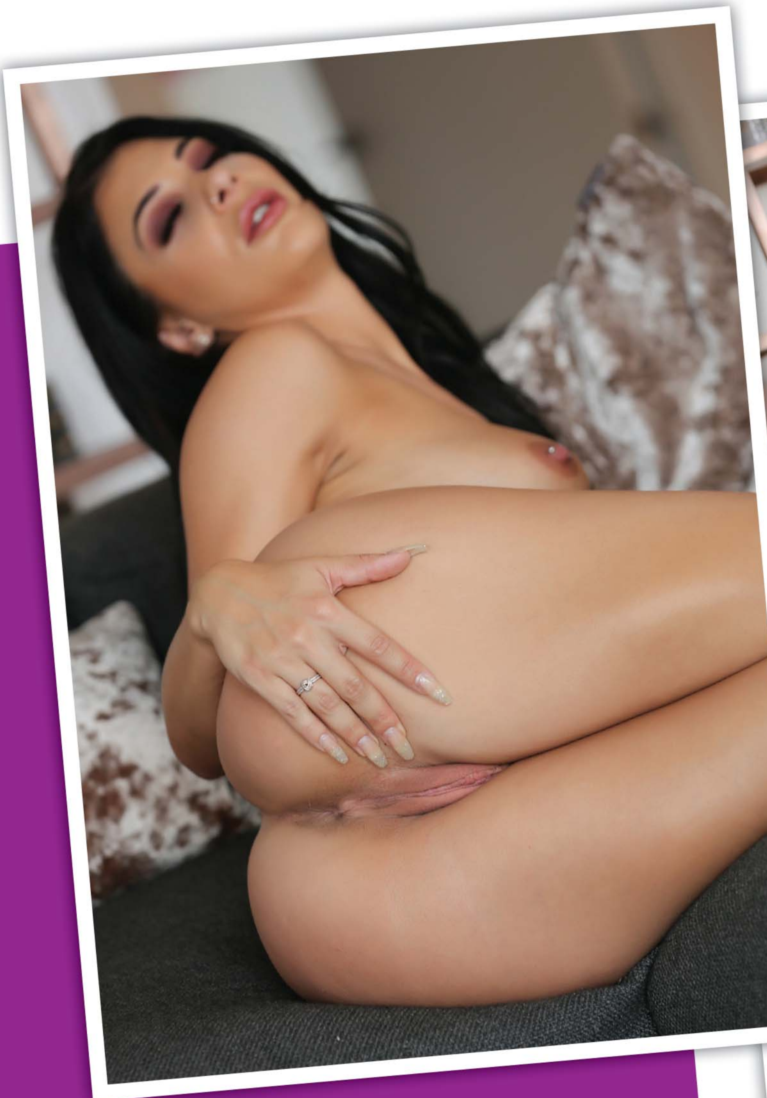
LORD OF THE RINGS
LORD OF THE RINGS
LORD OF THE RINGS

Former Men Only regular Roxi Mendez has been hard to pin down recently, but she hasn't left modelling behind you'll all be relieved to hear.

"I still have the bug," she giggles, "I still love getting naked in front of a camera, and it still gets my pussy wet every time."

And us hard every time.

"Thanks, boys! I still get lots of sexy letters from readers telling me what they want to do to me, although not as many as I used to get."



...Continued from page 04

could see it, sliding my foreskin right back to display my bell-end. Then, looking into my eyes, Ellen told me to show my new friend 'the goods'. The woman raised her head and stared directly at my cock as I raised myself onto my toes and pushed my groin in through the open window. Ellen nodded her approval as the woman took my cock in her hands and started to wank me. Ellen's hand slipped down the back of my boxers and she began to finger my arse-crack, pushing further down until she was tickling the back of my ball bag.

"...she was tickling the back of my ball bag"

The couple moved apart in the car, and the woman got onto her knees on the seat while her man began to lick her from behind. She didn't say a thing, just adjusted her position, and reached for my cock, wanking it for a while before opening her mouth and sucking it between her lips.

I heard Ellen gasp, and knew that her other hand was down inside her panties frigging herself. I stood there at the car window shoving my knob through it into the woman's mouth while my wife fingered my crack and tickled my nuts. In a couple of minutes I felt my balls tighten and the tell tale signs in my helmet told me I was going to splash my load very soon.

The woman must have cottoned on to this, because she pulled her mouth off me, and gave me a few quick tugs. I bit my lip, groaned, and drained my balls all over her face. The woman came at the same time, shrieking as she wriggled her arse back and buried her pussy into her man's mouth. In the silence of the picnic area, it sounded incredibly loud and I instinctively jerked my head around to check whether anyone had heard it. There was no one there, at least no one we could see! Inside of 30 seconds of this mutual orgasm, when we had barely stepped back from the car, the man got back into the driver's seat, the window purred shut and their car was rolling away from us and heading out of the picnic area. Stunned and amazed at how quickly it had all ended, Ellen and I just stood there, my cock still out in the open, and Ellen's hands still down the back of my boxers and her panties. I was feeling great, but Ellen had only come on her own fingers. So I opened the hatchback of the car and we climbed in the back. Not being able to perform again so soon after coming, I took her vibrator from my pocket, and, turning it on full, I began to massage her needy cunt with the toy.

Ellen loves this, and soon she was fucking the vibro with gusto. After a minute or so, she suddenly really took off, looking past me into the distance and writhing in a frenzy. I've never seen her so utterly turned on.

"I began to massage her needy cunt with the toy."

My knuckles were literally splattered with her juices when she finally heaved her last orgasm, and when I pulled the vibro out and turned around I saw at least two blokes turn and slowly walk away. I suddenly understood why she'd been so excited, Ellen was putting on a show and loving it!

Danny, Gateshead.

AMANDA RENDALL!

Dear Michelle,

I was under the impression that Amanda Rendall had retired, or was at least on a break. So I was thrilled when I open Issue 7, to find Amanda laid out snapping pictures of herself with her phone. She has to be my favourite model, and we don't see enough of her by half! So please, please, please, can you feature her again soon!

Alan, Noth Yorks.

Michelle says: On the contrary Amanda has been dead busy, I'm happy to report. So I'm sure you'll see her again soon!

SERENITY

Here's our chance to test out our newbie siren, it's less police car, more orgasmic sighing, which is a great accompaniment for this young lady. Barely out of the throws of teenagehood, this gorgeous cookie is always on the lookout for some saucy satisfaction.

"I have a really high sex drive and just have to have a least one good seeing to every day. Apparently, I wore my last fella out, demanding a good shagging three times a day!"

This chap sounds like he needs to buck up and eat more spinach to us!

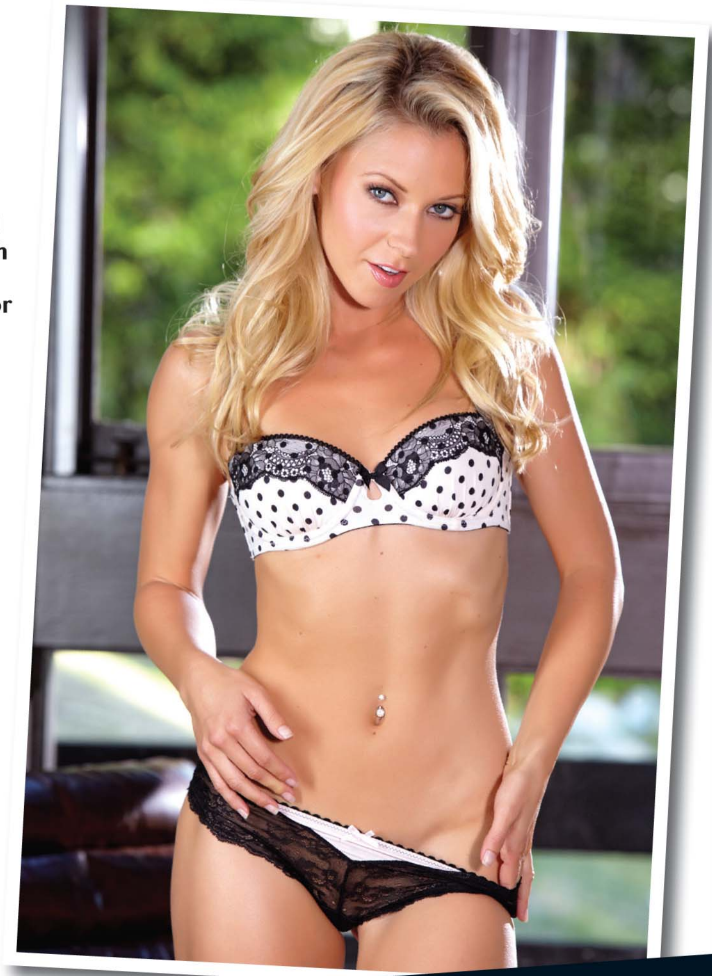
Miss BEHAVIOUR

Real Life Adventures

Antony and I have been married for eight years now, and he's the kinkiest, dirtiest and sexiest partner I could ever want. He feels the same about me too, and together we like to push the sexual boundaries. We've been swinging for about three years, with a bit of fetish clubbing, and just generally having all the filthy fun we can together!



Recently, he took me on a dirty weekend away… to an airport hotel! I wasn't impressed in any way and didn't hide my disappointment. But then he told me what he had in mind; he wanted me to pose as a hooker and pick up a bloke. This wasn't a roleplay thing - it wasn't going to be Antony or someone we had carefully picked and chosen. Obviously I had the choice to say no to whoever approached me, but I would be fucking a real punter if I agreed. We were definitely taking our roleplaying to the next level.

> “He hesitated a little, then moistened it with my juices and slipped it in me down to...”

I actually felt nervous - almost virginally nervous! - sitting at the bar in my tight, short dress, hoping I was giving out the right signals. Antony said if the manager asked me to leave, it was a good sign, although I really didn't want the shame of that happening, obviously. I noticed a businessman - grey hair and pinstripe suit - giving me the eye for a while. I smiled at him and raised my glass an inch or two and reciprocated. That must have been all the encouragement he needed, because a few moments later, he came over.

I thought I would feel awkward, especially when he asked me if I was available and how much I charged, but surprisingly, I didn't. It just really turned me on! I answered him as sexily as I could, really getting into my role, and I knew he'd taken the bait when he gulped down the rest of his drink and asked the barman for a bottle to be sent up to his suite. He gave me his elbow to link my arm with and, as I strutted off with him, I saw Antony, sat in a corner of the bar, raise his glass and give me a wink.

> “I wrapped both hands around it and started to wank his cock...”

The bloke's name was Darius – or at least that's what he told me - and he actually seemed nice enough; away on business, missing the missus. All the way up to his room I silently hoped he wouldn't be the type who just wanted to talk, but once we were

in the room and he'd paid me up front, I got my boobs out and his eyes nearly popped out of his head! It was clear what he was after – and talking wasn't included.

As he played a little roughly with my tits, I unzipped his pinstripe trousers and reached in to release his dick. I was pleasantly surprised at his girth and length as it sprung out, stiff as a flagpole. I wrapped both hands around it and started to wank his cock, slowly at first. We'd agreed that I'd suck and fuck him, and seeing the money he'd put on the dresser gave me a really kinky thrill. He asked if I minded him putting some porn on the TV – I told him to go ahead, however he wouldn't be watching it for very long once I got going!

I sunk down to my knees in front of him, licking my lips as my mouth watered. I pride myself on giving good head - Antony says that I may well be a great cook and wife, but he married me for my blowjobs! And I sucked Darius like I'd suck Antony on birthdays and anniversaries, licking him all over, balls to tip, before using my hands and mouth to suck and rub and engulf his dick. I took it as deep into my throat as I could then, when it felt like he was on the brink, I pulled it out, squeezed it just under the head, then started all over again, building up to something even more intense.

I kept on sucking, teasing controlling, then finally, when I felt him about to lose his load, I aimed his dick at my tits and face, coating them with his pearly spunk.

> “I reached down and started frigging my clit, rubbing it to the rhythm of his fucking.”

> “...before using my hands and mouth to suck and rub and engulf his dick.”

I cleaned us both up, before we settled back for a 'porn break', watching the onscreen fucking and waiting until he was hard and ready again. I was desperate to get back to Antony, to tell him all about it – he'd be sat in our room wanking over the thought of what I was doing right now.

I lay back on the hotel bed, legs splayed, playing with my pussy, waiting for Darius to get between them. I felt incredibly dirty and I loved it! But he told me to get on my hands and knees, so he could do me doggy style. I tilted my bum up and back, flaunting my snatch, actually feeling a hit of excitement as he got himself ready behind me. I'd made sure that he was hard enough, giving him another quick suck, but he was stringing out the anticipation.

The moan I let out as his cock slid up my twat was genuine - I wish Antony could have heard it. I don't ever fake and, while this was all about my punter, I was going to enjoy it too. I reached down and started frigging my clit, rubbing it to the rhythm of his fucking. And it was giving him a big thrill - he was fucking me hard, maybe a little too fast, but I was getting there now.

Perhaps it was out of order as you're meant to shag the punter's way, but I gave a groan of pleasure then asked Darius to stick a finger up my arse, telling him that would really get me cumming.

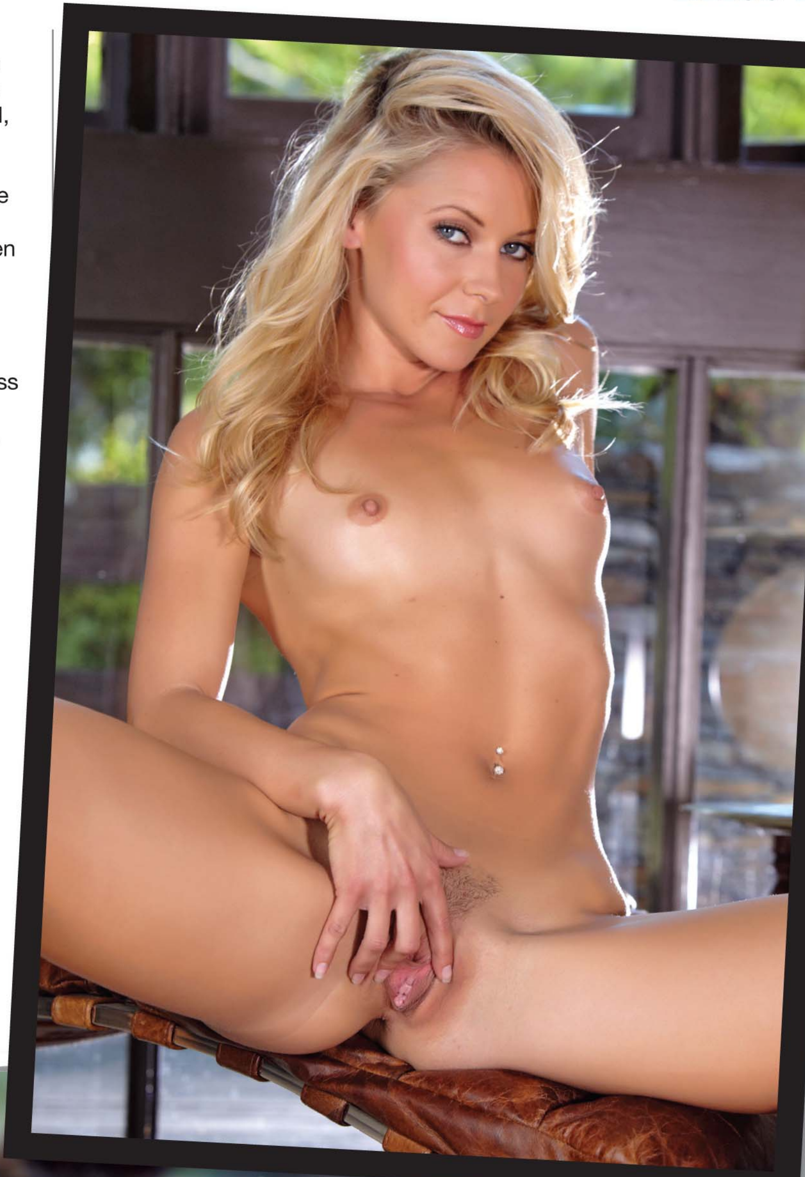
He hesitated a little, then moistened it with my juices and slipped it in me down to the knuckle. I instantly started to cum like mad, tugging on his dick, and when he asked where he should jizz, I just clamped even tighter around him, holding him in me as he shot deep and hot. God, it was good!

The poor sod looked really confused when I said I didn't want his money. "It was too good! On the house," I told him. Then, when he wouldn't let it go, I said he could buy me a bottle of wine - and he ordered champagne. I insisted on him having a glass of it with me, before I took the rest of the bottle back to my own room – and Antony.

Antony said he should spank me for "selling myself short" and not taking the money. I said he knew it wasn't about that, so he just amused himself with the idea of this bloke now wanking over porn and wondering what the hell had just happened. He said the guy probably reckons he's a complete stud now!

> "I aimed his dick at my tits and face, coating them with his pearly spunk."

The champagne was quality, so we drank it before it lost its fizz, toasting our sexual success as I gave him all the juicy details. When it all became too much for him to listen to, Antony bent me over a chair and told me to brace myself. I wouldn't have put it past him to give me six of the best as we both love spanking, but his cock was throbbing for a fuck. He'd wanked himself most of the time I was away but hadn't cum - he wanted to save it for me, and he said I was getting it up the arse. Not because he had a problem with sticking it in an already well-fucked pussy – he'd done that to me often enough at sex parties. He was just in the mood for anal.



He lubed me up, and fingered me open and ready to take his cock, and I let out my loudest moan of the night so far as his helmet stretched my bum wide. I'd told him what had gone on, but now he wanted the filth, to hear how Darius' big dick had got me cumming, but couldn't satisfy me like his.

My juices were teeming out, soaking my inner thighs, while I told Antony I wished Darius was here right now, fucking his salty length in and out of my mouth. But that didn't matter - all that mattered was the girth buried in my arsehole.

He kept telling me how kind Darius had been to let me cum, to indulge me. I could only cum when he - Antony - told me to, and then he ordered me to frig my clit until I did. My orgasm shuddered through me, closing my arsehole like a vice around Antony's dick. But he kept on fucking me and got me talking dirty until he'd satisfied himself, shooting into the depths of my bum.

> "I let out my loudest moan of the night so far as his helmet stretched my bum wide."

I still hope it wasn't too much of a headfuck for Darius and that all in all he had a good time. If he's reading this, we want him to know that thanks to him, we had one of our kinkiest-ever experiences - and that's saying a lot!

AALIYA & CHERIE

Photos: **Twisty's**

TThe photographer, a happily married man, tells us that these two sorely tempted his loyalty. Any level of matrimonial bliss must be called into question when you've got two red hot girls going at each other, pausing only to ask the snapper, "Come on, we need some cock. Please fuck us!"

He made his excuses and left – well, he kept taking his photos – so the Cherie Deville and Aaliyah Love had to finish each other off before they disappeared into the night in search of one extremely lucky bloke who was, we quote, "going to get the cum fucked out of him."

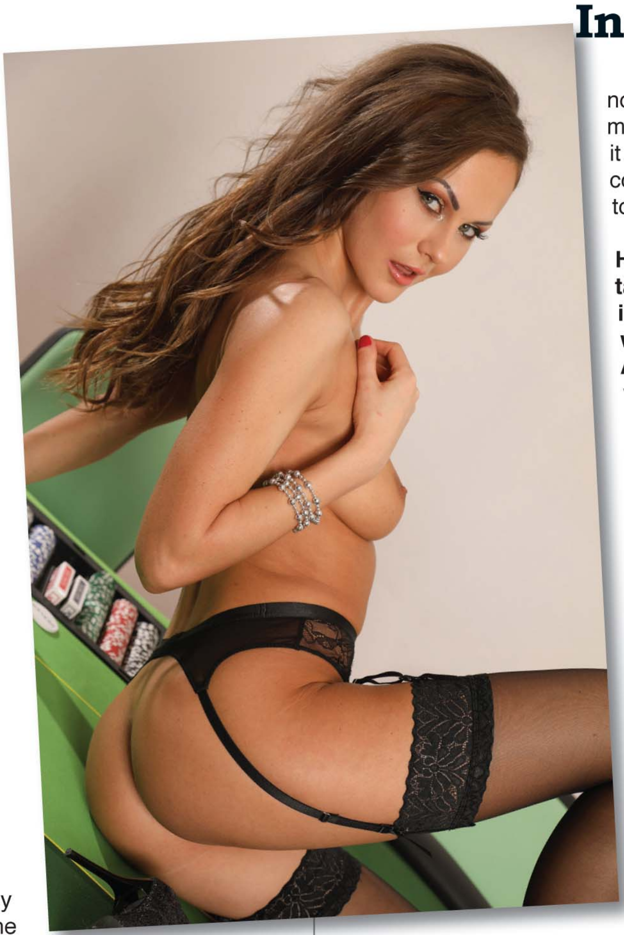
TINA KAY!

If you haven't heard of Tina Kay, then we're not quite sure where you've been for the last couple of years, certainly not reading Men Only by the looks of things. But for the rest of our well-informed readers, they will be aware that currently, Miss Kay stands as the most in-demand performer, and that's not just in the UK, but globally! Unafraid of trying anything new producers scramble around this busy bee like Pooh Bear trying to get is paw in the honey jar. But less about those bloody bears and more about Tina, as Captain Jack wields his microphone...

Hi Tina – lovely to meet you! First off, could you tell us a bit about Tina Kay?
Hey! Nice to meet you as well. Well, if you don't know of Tina Kay yet, you should really do your research boy! Just kidding! Ha-ha! I'm UK & International Adult Performer and have been glazing your screens and magazines covers of the last 15 years! I'm a glamour model, multiple Page 3 girl and Penthouse Pet in the USA and Germany. On top of that I was UK's best Female Adult Performer of 2014, Best European Foreign Female Actress of 2017, "AVN" awards and a nominee in the American Xbiz Awards!

Well that's a pretty impressive haul so far! So how did you end up transitioning from modelling to porn?
It was a totally natural progression from my modelling career. It felt it was the right step and the right time to take my career into the next level.

Were you a very sexual person before you decided to get into the industry?
Yessss! I was and I still am a VERY sexual person, despite having multiple screws almost every day.
I'm actually even wilder behind the cameras than I am in front of them! I love almost all kind of kinky fetishes and role play games, where sometimes I am restricted in how much I can show my passion for it on camera…



So what was the wildest thing you'd done before going in front of the cameras?
My wildest sexual experience – ha! I couldn't say it was just one! I've had many of them... all spontaneous, public, risky adventures, like making out on the back of a camel, while we were riding one in the desert on the holiday tour in Egypt! Yes, I didn't make that one up up, I really did had sex on the back of a camel. OK, so it was a quickie, but that's not the point. It's the amount of adrenalin you get in these kind of situations that makes you feel alive!

Where better for a hump than on the back of a camel?! Back down on earth, what was your first time with another girl like? Are you genuinely bi?
My first time with another girl was at work actually. Until then, I didn't know whether I'd actually like being with girls or not! It was a very nice discovery and a positive sexual experience, which lead me realise that threesomes are my favourite thing! I would say yes, I am genuinely bisexual now, although I'm more picky when it comes to girls compared to guys!

How did you take to working in the wonderful world of porn? And what was your first scene like? Were you nervous, excited or what?
The world of porn is absolutely fantastic! I could never imagine doing anything else in my life and I want to continue doing it for the rest of my life! Porn offers an amazing lifestyle of freedom, sexual satisfaction, financial independence, travelling opportunities, meeting interesting new people, flexibility and never having to do the same thing every day! It's a dream job if you know how to make the most out of it, and of course it requires some strong mental skills to deal with certain situations – as well as the bed skills! Ha-ha! My first scene was extremely pleasant and easy with all the crew and co-partners that I already knew from the modelling industry. It's a really close circle of the people that make up our industry, which I call the 'Porn Family'.

Were you a fan of porn before you started performing? And do you watch it now? Do you like watching your own scenes?
No, actually I was always so busy keeping myself satisfied in real life that I didn't really feel the need to watch porn before I got into it – and neither do I now to be honest, ha-ha! I do watch trailers of my scenes and some of the feature movies, where I play the main characters and where plenty of dialogue and lots of acting is involved. I like to see the whole of the finished product – the porn magic – in a longer feature.

Who are your favourite performers you've worked with so far – and are there any you'd love to work with but haven't had a chance yet?
I have been lucky to work with plenty of good performers around the world – I couldn't really pick out just one or two. I'm pretty sure I have had a chance to

try them all so far... I have my favourites, who stay consistent over the years. So many performers enter and leave this industry in a short period of time, but the real pros will always stick around!

What's your ultimate sexual fantasy? Is there anything left you haven't tried yet?
My ultimate sexual fantasy, that I haven't had a chance to fulfil yet, is to be blind folded and gangbanged, without knowing how many guys are involved and who the guys actually are! I really hope to experience it soon! Hmm, I'm getting wet right now just thinking about it. It's a really dirty desire....

You've just been honoured with your very own Harmony film, 'Tina Kay – Sex Addict' – can you tell us a bit about it? What can viewers expect when they watch it?
I am so thrilled with this landmark in my career! My first feature movie, all about me, letting the viewers to get close and personal with me, fulfiling my fantasies in 5 different and very intense scenes with my favourite co-stars that capture a real chemistry together. I'm extremely grateful to Harmony Films for this amazing opportunity to be myself in all the scenes, and to the fabulous director Jake Hunter who did a fantastic job capturing the real me in front of the camera. Viewers will have a chance to enjoy some cheeky, candid behind the scenes elements, like me having a coffee in my dressing gown first thing in the morning, having make-up and hair done before the scene, all the giggles and laughs in between the scenes – and of course some really intense sex action in lesbian, threesome, anal and DP scenes, in which I show my dominant and kinky side… and then finally me having a relaxing time in bubble bath after the few days in a row of making this magic movie! It's the whole real life experience on the set with Tina Kay!

You perform a DP in the film – how was that? Are you a fan of DPs?
That's my favourite scene! I get the most satisfaction performing DP scenes or even higher levels than this! I absolutely love being double stimulated at the same time – it's a higher level of pleasure than just being fucked by one cock! My co-stars in this scene were extremely experienced and knew exactly how to handle me! Especially Angelo Godshack. I could easily to submit to him, which is a very rare feeling for me. He just knew exactly how to bring the best performance from me, handle my wild side and satisfy me at the same time! Absolutely mind blowing – He is a Sex God! Yes, I had multiple real orgasms during this scene, so I highly recommend your readers to watch this!

Do you have a favourite position? And what's the best way to turn Tina Kay on?
My favourite position is a cowgirl, because I love to be in control but also love to have an eye contact while riding on top. Being spontaneous is the best turn on for me. Just live for the moment, when you feel it, right now and right here at any place or any moment, grab me and tell me that you want me!

And what's the best size for a cock - are you a size queen?
I am not much of the size queen, more like what you can do with your cock really... Of course a healthy size cock always feels great but you have to know how to use it first!

How often do you masturbate? Have you got a particular favourite toy?
I don't masturbate at all. And I don't like toys. Yes, that's right, toys just don't do it for me. Even the most powerful electric vibrating Magic wands! Cock is my favourite toy! No substitutes are able to satisfy me, except a real cock – or a few of them at the same time, preferably! And luckily for me, I never seem to go short! Ha-ha!

What do you look for in a partner? Would you consider dating a fan? What would be your perfect date?
I don't date. I could never be satisfied having a monogamous relationship. Sorry for sinking all the hopes for my fans... But on another hand, if you ask me if I would fuck a fan, that's another question entirely!

What's next for Tina Kay?
Keep enjoying the life, freedom, making exciting sex around the world for your – and my – pleasure!

Thanks Tina! And finally how can your fans follow you?
The best way to keep up to date with my latest movie releases, daily updates from my every day life, is via Twitter: @TinaKayxxxThank you and lots of love to everyone!

BAILEY

BAILEY

Valley girl Bailey hails from California, but she's quite the Anglophile.

"Oh fuck, yeah, I love that British accent," she gushes. "I watch Downton Abbey all the time, and I swear it's just so I can hear them speak!"

And how about in real life?

"Well, I know a few Brits over here, but I really want to come to London soon. Just to go to an English pub and be hit on by British guys with that voice. I'm getting wet just thinking about it!"

Is that usual?

"Fuck yeah! My pussy tingles whenever I hear a British man talk. If I had one talking dirty to me while fucking me doggy style, I think I'd never stop cumming!

Men Only, Paul Raymond Publications, 20 Lyon Road, Hersham, Surrey KT12 3PU (or email menonly@paulraymond.com)

DEAR MEN ONLY,
I'm Jennifer, I'm 24, and I've just come back from the horniest holiday of my life. Peter, my boyfriend is a businessman – he does OK for himself, but one of his old mates from school, Ben, is minted. They both turned 30 this year and Ben invited us to join him on holiday to celebrate.

I won't say where we went, just that it was hot and we were staying in a beach house that Ben had rented for the week. It was totally private – all us girls were sunbathing topless from day one, and when one woman went bottomless, to avoid tan lines, we all followed suit.

It was a bit of a shaggers' paradise as well – Peter seemed to have a permanent boner for me, and it was pretty clear that some of the couples were switching and swapping, including Ben and his girlfriend, Maria. Mostly, all that was confined to the rooms, at least until after dark, but there was just this sense of debauchery.

On the night of Ben's actual birthday, there was a themed fancy-dress party – ''70s Retro-Sexual'. Just a pun and most of the guys played it for laughs, but there were quite a few half-naked bodies too. I went full-on 'dolly bird' in a long, straight blonde wig and a crochet jumpsuit I'd found online.

I'd worn a G-string bikini underneath, so it looked like I was naked from the back. And when I posed for pictures and danced with the birthday boy, he copped a good feel of my arse. He kept on giving me smouldering looks all night, only half-joking, and I was flirting right back. A few drinks later, he sidled up, one hand on an arse cheek and the other cupping a tit, as he told me that, of all the women here this week – and he'd already shagged "most of them" – I was the one he fancied most.

> "I managed to undo the bottoms too, and moaned as Ben's fingers..."

When I asked him what he wanted for his birthday, he said, "To lick your cunt out."

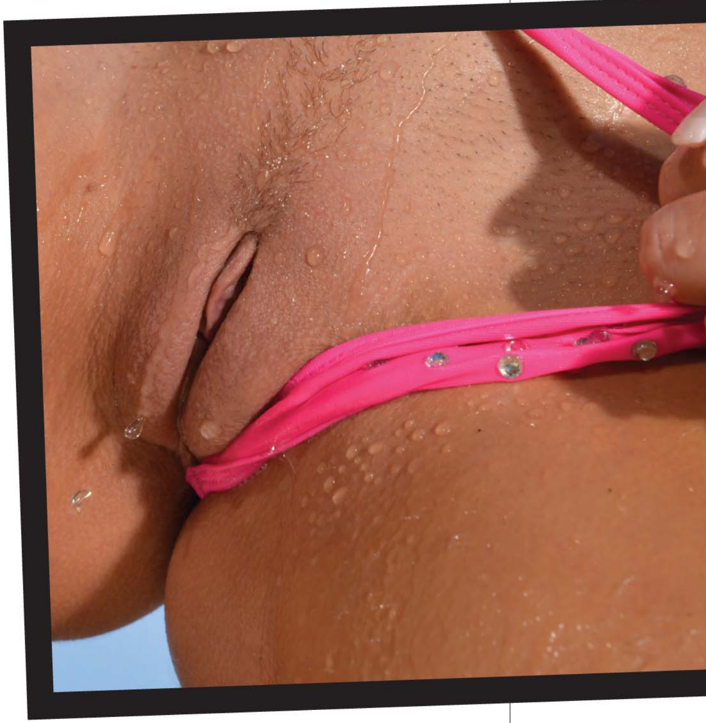
I peeled off the fake gigolo 'tache he was wearing, so he accused me of having a, "massive '70s bush" and insisted I prove I didn't, even though he'd seen my full Hollywood wax by the pool during the week. So he led me to a shadowy part of the garden.

I looked around for Peter – and saw him dancing a bit too close with Maria, by the pool. I didn't feel jealous, just that he couldn't say a thing if I messed around with Ben for a while.

We started snogging, his hands squashing and mashing my tits, fingers feeling for my nipples through my bikini top. I reached around and undid it, my teats poking through the holes in the mesh as I pulled it free. I managed to undo the bottoms too, and moaned as Ben's fingers crept to my crotch. First, he rubbed me through the jumpsuit and I felt the mesh against my labia and clit as he diddled away. Then he slipped a couple of fingers through the holes, sliding them into my cunt.

"How fucking wet are you?" he moaned, then snogged me again, pumping deeper as his tongue probed my mouth. Then I yelped as they sank even further in – he must have ripped the fabric.

"Whoops!" he said, kneeling down for a look, but that didn't stop him pulling on it, snapping the threads one at a time till he'd made a big hole over my entire pussy area. As he teased my labia they swelled even more, framed by the edges of the mesh, then he parted them and started lapping up and down my slit, before thrusting as much of his tongue as he could into my cunt.



I bit my lip, trying not to moan as his fingers found my clit, rubbing it from both sides and on the nub. Then I just went with it, thinking all the other guests must be pissed, or playing their own games. That worked until Peter came wandering towards us, drink in hand, maybe looking for me. I tensed, which stopped Ben mid-stroke, only for him to pull away and yell, "Oi, Pete!"

Pete did a double-take, chugged his beer in one then came over. As he watched close up, I grabbed his hand, putting it on my tit, but he guided it to his flies and unzipped them. I got his dick out and started wanking him as Ben went back to slurping away at my snatch, I soon had him stiff.

Now Maria turned up, looking like she'd just been having some fun of her own. I wondered was Peter just warming me up for her to get stuck in, but she just knelt next to him, reached in his trousers and tossed him. I was finding it hard to keep my balance, especially in my sexy platform shoes. Peter had the answer – he had me bending forward, arse in Ben's face and my pussy still peeking out of the rip in my outfit. Now he could hold me steady while I got eaten out and sucked him off too.

I started gobbling away on Peter's length, hot and salty and seemingly all the tastier now we were putting on a show! Ben kept sucking cunt, but not quite as hungrily, then I heard Maria say if he wanted to screw me, he should just go for it.

I felt him get to his feet behind me, and she teased his prick over my arse cheeks. The mesh was stretched tight over them, little cushions of my firm flesh poking out between them, and she asked me did I want to feel him inside my pussy.

I moaned yes and she asked me again, making sure, before guiding him in smooth and easy. Now he grabbed my hips, pulling himself in deep and stirring his prick around. He fucked me strong but steady, letting me focus on sucking Peter's cock, holding back, stringing out the pleasure.

Peter didn't have as much choice about setting the pace. He

"I took another pump, then let him spurt the rest all over my face and tits..."

reached down groping my tits so my sucking felt even more intense. Then I felt his body stiffen as he hit the brink, trying to hang on for as long as possible before the first jet of his spunk burst over the back of my tongue and throat.

I took another pump, then let him spurt the rest all over my face and tits, moaning and squeezing my snatch around Ben's shaft. Then as Peter pulled clear, totally spent, I grabbed my own ankles and let him bang me hard and fast, crotch spanking my arse until I felt another explosion deep in my cunt.

> “He grabbed my hips, pulling himself in deep and stirring his prick.”

“Did you cum yet?” Maria asked, fondling my boobs. I didn't get a sense of her being up for going next, just that she was keeping me on the boil for my next fuck.

“No,” I whimpered, suddenly desperate to orgasm, but wondering how far I wanted to take this.

“What happens here stays here,” she said, so I decided to trust her and go along with whatever came next.

That turned out to be Martin – one of the quieter guys, who'd seemed a bit flustered when he'd walked past us all sunbathing nude. But now, with a couple of drinks in him, and a bit of fluffing from another female guest, he laid back on a sun lounger and let me straddle his fat prick.

He seemed content to let me ride him, gazing at my tits as they bounced above him. Then he pulled them out of the top of my jumpsuit. He started kneading them hard and I bowed forward, giving him a faceful, then squealing as he clamped a sucking mouth on one of my nipples.

Now I was finally feeling an orgasm start to build so I reached down, slipping a couple of fingers on to my clit. Suddenly it hit, my snatch snapping hard around Martin's cock, just before the waves shuddered through my entire body.

I thought maybe we'd sparked off an orgy but things actually quietened after that, and Peter led me off to bed. Sure, we heard people moving from room to room and the sound of plenty of action, and someone knocked on our door at one point, but Peter yelled “Not right now…”

He was halfway down the bed, fingers lubed with spit and pussy juice as he warmed up my arsehole, and he wasn't letting any other dick up it just yet!

One of my clearest memories is catching sight of myself in a full-length mirror on the way to our room – blonde wig, my face all smeared with spunk and what was left of my make-up, and my crotch hanging out where the fabric had torn. It felt a bit unreal, like I was looking at someone else, but I sort of liked it

I promised Maria I'd stick to the “What happens here stays here” rule, but she said it's OK to write to Club if I change the names and leave out other details. I don't really know what to add, my head's still spinning and my pussy's throbbing even now we're back. Maybe it was just a one-off experience, but I'll hang on to the costume just in case – peek-a-boo holes and all!

Lynda is the sort of girl you'll never find alone. She can't stand not having people around her, nor can she stand sleeping alone in her bed. "I probably have a phobia of some sort, but I love to be with people all the time. It makes me feel safe and secure."

There must be thousands people who, having seen Lynda adorning the pages of magazines, would dearly love to be in her company. Sadly, that is not likely to be the case in the immediate future as Lynda has no plans to leave her home in LA and travel to the UK.

"It's not that I wouldn't like to, but I run three dress shops in LA and I can't see myself getting a holiday for some considerable time. However, my boyfriend (he's English by the way) keeps insisting I need a break and that he's going to take me off on a surprise vacation before too long, so I know he'll have plans to visit relation in England."

In the meantime Lynda's message is loud and clear: until she gets the chance to come over personally she just wants to remind all her admires that her thoughts are definitely with us!

And we'd like to remind Lynda that, after seeing such an eye-catching set of pictures, our thoughts are never far from her.

10/10

Here is a tale of modernity, two-hundred years before it's time. An independent, intelligent and thorough minded human being, named as a phenomenal adventurer and entrepreneur, the slight catch for 1832 being, one she's a woman, and two her natural desires are orientated towards the female. So, in other words, Anne Lister was an unusual creature of society, but she left behind an unparalleled series of diaries, that were, at points, for her more delicate intimations coded. But as luck would have it, Anne Lister who has remained rather an obscure figure in history, despite her eventually decoded diaries, found a fascinated party in the remarkable writer/director Sally Wainwright (Happy Valley, Last Tango in Halifax) who is now shaking up our screens with Gentleman Jack.

The series opens with a calamitous accident between a gig, a cart, and a carriage carrying Miss Ann Walker (Sophie Rundle), the repercussions of which run through the series. But our first encounter with Miss Anne Lister (Suranne Jones) is a different kettle of fish. Travelling away from her ancestral home of Shibden, Lister returns, driving the High Flyer due to the coachman being injured. Her ladies maid stumbles out, and immediately vomits, with Lister directing to the camera "it must be my driving," which gives you an immediate idea of the tone for this series. Remarkable, fun, and intriguing, with a cast that can handle everything thrown at them.

Summer of Rockets

DVD £19.99

We were being to think that Stephen Poliakoff had gone to ground, never to breach the surface again, but thankfully, that is not the case. Back with a class A cast, Summer of Rockets is a semi-autobiographical, Cold War drama with the incredibly good Toby Stephens as social climber Samuel Petrukhin and Keeley Hawes as MP Richard Shaw's (Linus Roache) wife Kathleen. As with most of Poliakoff's work, in the beginning, there are many strands of wool to pick up, which can give his work a strange opening, with scenes that can be thought of as odd. There is a bigger picture, or in this case an immense canvas, that will truly fascinate you. It starts off slowly, but stay with the simmer, it will boil wildly!

Fisherman's Friend

DVD £9.99 Blu-Ray £14.99

If you're in need of a gentle comedy, then Fisherman's Friend is the bate to hook you. Based on the true story of the all male a capella group from Port Isaac who became an unexpected hit in the noughties with there sea-shanty folk tunes. Surround by shallow London music PR mates, Danny (Daniel May) a music executive travels to Cornwall for a stag weekend, he'll never forget (and not for the typical reasons!). As Danny works hard to get the male singers to sign on the dotted line and for Alwyn (Tuppence Middleton) to consider evening liking him, he encounters a life that money can't buy, full of loyalty, strong friendships, community and real living. Corny at times, but a film with soul.

SKYLER

Skyler's no stranger to a party, but one she went to recently caused quite the stir...

"The drinks are following, and I'm having a great time when two fellas approached me and suggested a threesome. Obviously, I said yes, as two cocks are always better than one!"

Here's a woman who knows what she wants.

DISCREET SERVICE

My name is Lucy. I am 28 and 5ft 7 tall with shoulder length brown hair. I am a size 12 with a large bust and long slender legs. I have been married for eight years to a much older man and have a very comfortable lifestyle which is why discretion is important. I am looking for someone to have lots of no strings fun with. I am very fit and very broadminded.

XXX

I don't think these ladies know which way to turn, with these hard studs bashing down their doors, as the Dames of DP pack in more meat than a butchers this month!

Dames of DP

Evil

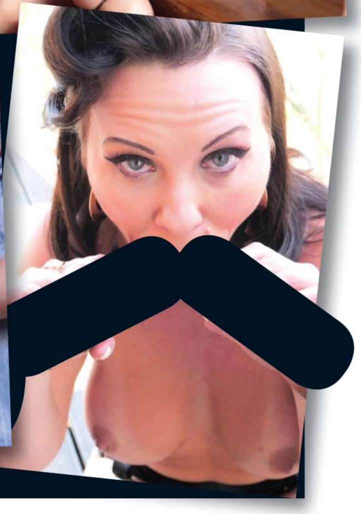
Cast: Adel Asanty, Alysa Gap, Angel Emily, Angelo Godshack, Barbie Sins, Charlie Dean, Christian Clay

4/5

Synopsis: "Insatiable Euro-vixens give up their holes for double penetration pounding, meriting their coronation as the 'Dames Of DP!' Spirited pornographer Proxy Paige presents each ravenous, ravishing beauty in extravagant, graphic action with two or three hung studs. Anal athlete Alysa Gap stuffs a toy into her sphincter. In an extreme threesome, she gives a sloppy double blowjob. Charlie Dean and Christian Clay hammer-fuck the MILF's asshole to immense gaping! Alysa's cunt takes both big cocks simultaneously -- a double-vaginal ploughing! Charlie, Mike Angelo and Lutro attempt to jam three boners into petite, hot Angel Emily's throat for a sloppy triple BJ. Their manhandling DP and DVP foursome features face fucking, ass-to-mouth fellatio, rimming and a creampie. British blonde Barbie Sins teams up with Mike and Yanick Shaft for animalistic filth. Barbie tongues bunghole and flaunts her nasty, prolapsing rectum! Mike fingers her to an intense, squirting orgasm, and Barbie manages to cram Mike's foot up her ass! Angelo Godshack and Dylan Brown subject tan brunette Adel Asanty to savage interracial DP. She drools and chokes on a big black cock and gives a raunchy rim job. Her butthole gapes. Splattered with a cum facial, Adel scoops up semen and swallows."Courtesy of Evil

Editor's CHOICE

Verdict: These girls are the badass ladies of porn, taking it any which way they can, as they are splashed from every direction by semen. Barbie Sins takes the crown for twisted though, as her gaping arsehole swallows Mike Angelo's foot and spunk collects in her eye.



4/5

Boxing Beauties

Private

Cast: Lucy Heart, Baby Nicols, Hannah Vivienne, and Monica Brown

Synopsis: "Come and discover the world of boxing in Private Gold, Boxing Beauties where the feisty Hannah Vivienne, Baby Nicols, Lucy Heart and debutant Monica Brown will duke it out and show their true colours for a shot at the title. Prepare for things to get vicious and of course, heated as these girls will not hesitate to go to any lengths to win. Whether it's a threesome with their trainers, DP with their coaches or just a good old fashioned fucking these horny competitors will do whatever it takes to reach their goals, and you will not want to miss a minute! So strap in for a wild ride and get ready to rumble in Private Gold, Boxing Beauties and find out who will win the ultimate Private championship title…"
Courtesy of Private

Verdict: Here are five scenes from director Xavi Rocka, that are ready to knock your block off, well, at least get you knocking one out. By the look of things, Lucy Heart has been training hard as the gorgeous piece sets out to compete in a championship fight, where she is crowned queen. But of course, her celebrations take a naughty turn with her trainer, Kai Taylor, as she shows him her gratitude with a sloppy blowjob, that quickly turns into a hard ramming and ends in a facial. Teen Monica Brown also gets her turn to shine twice as hard with a ringside double penetration. While Latino Baby Nicols and sparring partner Hannah Vivienne take their gloves off and dive into each other with their trainer Dorian del Isla. This is a heavyweight champion of a movie

JENNY

Photos: **Daz Glam**

Jenny, while obviously ten types of gorgeous, is also pretty frustrating. 'She's a porn star!' a staff member excitedly told us. 'Wow,' we replied. 'We've got to see that'.

Well, we did, and she's not really. Okay, she does some lesbian stuff, but most of her films are just masturbation and, horrifyingly, stuff that doesn't even involve sex. What's going on here? Are we not men? We need to see you with your mouth full of balls. Obviously, some of our readers will be happy with the lez stuff – and she's good at it – but we're men of steel, and we want to see what Jenny would make of a massive cock. Please?
